What we are doing

We are carrying out resurfacing works on Church Road, Stanwell.

Works area: 

Information for residents and businesses

Church Road will be closed from St James Senior boys' school to Stanwell road junction whilst we carry out our resurfacing works.

We will make sure you can get to and from your house or business when it is safe to do so. Please talk to a member of our staff on site if you need help – talking to our staff can solve most issues.

Please park elsewhere while the works are in progress. It is essential to keep the road free from parked vehicles otherwise your vehicle may be towed to a nearby road.

This work is weather dependant and sometimes our work is delayed by bad weather.

We will keep you updated on any changes via the advance warning signs displayed in the road and on [one.network](#). You can also sign up here for email alerts.

Night works/Noise

Working overnight is necessary on traffic sensitive roads to reduce disruption during peak times. It also enables longer uninterrupted working before the closure has to be lifted for daytime traffic, and results in a shorter period of disruption. There will be some noise, but we will try to carry out the bulk of the noisiest works before midnight.
